

## The Bleeding Disorders Foundation of Florida

We are pleased to be hosting the 28th annual Flight for Tomorrow Invitational Golf Tournament. We would like to thank our **corporate and personal sponsors for their continued support**. This year we need your help more than ever. Proceeds from this tournament provides the funding for all kids with bleeding disorders in the State of Florida (ages 7-16) to attend Hemophilia Summer Camp. It also enables families to attend the annual Hemophilia Retreat Weekend in the fall. All additional funds raised will assist in funding BDFF's Compassionate Care and Peer Programs. Last year 43 campers went to camp and 21 families attended the family retreat weekend.

The Bleeding Disorders Foundation of Florida, a non-profit, charitable organization, is dedicated to proactively elevating the quality of life of the hemophilia and bleeding disorder community. The Foundation provides advocacy, dedicated events, compassionate care, peer programs, information services, summer camp and family retreat weekends. Last year the tournament was successful in raising **\$56,000 net**. This past year the foundation was able to give out **\$65,000** in financial assistance and **\$21,000** in educational scholarships. This is the foundation's largest fundraiser of the year and depends on the money raised to help support these needs.

If you participated in our tournament last year, thank you again, and we hope to see you this year. If this is your first year, welcome! With the excellent facilities at Ardea Country Club in Oldsmar, it is sure to be another successful tournament. Again, a special thanks to our corporate and personal sponsors that have already committed to this year's tournament.

Please join us!

*Brian and Rhonda McDonald*
